DISCOVER THE PROGRAM

LEARNING AND, PERHAPS, IT IS BETTER TO SPEAK ITALIAN OUTDOORS.

THE ITALIAN LANGUAGE course will take place in the form of an "itinerant journey": participants will be accompanied by experienced teachers, graduates in language-related disciplines and certified to teach Italian to foreign students, as well as by qualified tour leaders and licensed tourist guides (in two foreign languages).

Italian lessons will take place outdoors in enchanting locations such as historic residences, farmhouses, castles, vintage boats, and dedicated spaces in citrus orchards, by the sea, or near lakes and rivers, surrounded by nature.

Each group will consist of a maximum of 15 participants, plus one tutor. Courses will take place from March to October, excluding July and August.
